Comments/TA Provided:

11 kids at the time of the visit 3-5yrs with 2 staff. Kids divided into centers. Facility clean and organized at the time of the visit. Monica reports there are no changes. They will have a new building built and ready to move into in the fall. They will have 2 classrooms, 1 full day and 1 part day. Reviewed CCL-205 and background checks. All staff is up to date. Monica will email an updated copy after class as she is full-time in the classroom. We discussed doing presentations from community members, like law enforcement, outside to accommodate COVID precautions. Monica does not have any questions.
